### PARAMOUNT BRAND

design service technology experience

## IMMETSION

jam rooms and recording studios

PARAMOUNT is the only residential brand of its kind. With brand pillars in the areas of design, service, technology and experience, our customers can expect a commitment to their purchase satisfaction, enhanced resale value and of course, the ultimate lifestyle, a standard of any PARAMOUNT home.

# aesign

What unites PARAMOUNT Residences is the attention to detail used in their making - how every element, interior space and amenity is carefully considered to create a truly uncompromising expression of modern luxury.

World-class architecture and interior design teams delivering the highest level of residential experience, maximized views, striking building exteriors and superior amenities.

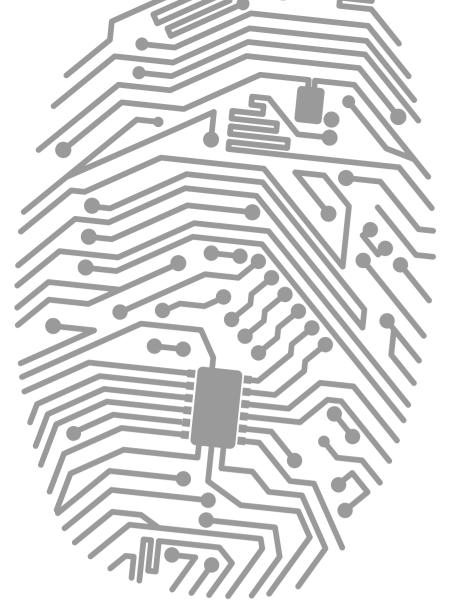

Locations within the world's most desired destinations

## Service

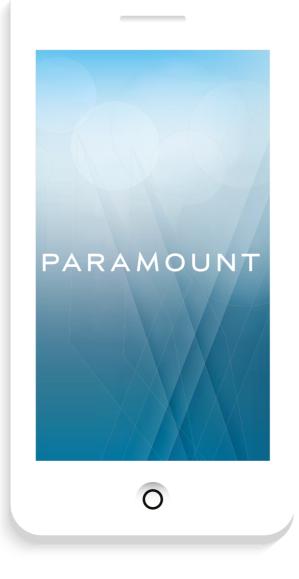

In a world that's ever crowded and impersonal, PARAMOUNT Residences are proof that a place on earth still exists where you can experience the genuine warmth of the human touch while avoiding the standardization that has become common place in most residential towers.

## technology

Intuitive service becomes even more effortless through integrated smart building technology and a proprietary PARAMOUNT Residences smartphone application. Now you can instantly connect with your concierge, attaché and nearly any desire in the world.

Sonance Visual Performance Speakers • Bitwise – iPad Control • Apple – Airport Extreme Wireless Networking Router • Episode® 2 Channel Mini-Amplifier with Surface Mount IR Sensor and Remote Control • Seura Hydra In-Wall Kitchen HDTV 27" • Nest Smart Thermostat • Sonos Connect – Music Streaming • AppleTV

## experience

Not only "the" place to live, PARAMOUNT is also the place to find the pulse of any city. Between exceptional amenities and curated events, signature restaurants and private lounges you can discover a "city within a city" concept that brings life and energy into every one of our buildings.

### DEVELOPMENTTEAM

#### Daniel Kodsi **PARAMOUNT VENTURES**

Daniel Kodsi is a real estate industry veteran with more than 25 years of experience developing a diversified portfolio of mixed-use, multi-family, condominium and planned single-family developments. With \$1.2B in completed project and nearly an additional \$1B in current developments he continues to build an extensive development track record.

From award winning master-planned communities around the state, to the luxurious PARAMOUNT Bay high-rise in Miami's Edgewater neighborhood, as CEO of Royal Palm Companies Mr. Kodsi has built 25 separate development projects generating over 3,000 units throughout the state of Florida. Currently Mr. Kodsi is working on several major projects set to deliver an additional 1,000 units.

#### Art Falcone MIAMI WORLDCENTER ASSOCIATES

Art Falcone has over 35 years of executive experience and a proven track record of success. Mr. Falcone brings tested leadership, an entrepreneurial spirit and unparalleled expertise in all areas of real estate. He has diverse and extensive experience in the management of purchasing, financing, and developing residential and commercial real estate product types.

#### Nitin Motwani MIAMI WORLDCENTER ASSOCIATES

In his role as Managing Principal, Mr. Motwani is responsible for every facet of the project including but not limited to land acquisition, zoning and entitlements, financing (public and private), joint ventures and development. Mr. Motwani has earned a Bachelors degree in International Relations from Duke University and holds a Master of Science in Real Estate Development from Columbia University.

### DESIGNTEAM

#### *Elkus* | *Manfredi* ARCHITECTURE

Since the founding of Elkus Manfredi Architects in 1988, they have been privileged to form long-term relationships with many of the nation's most distinguished developers, corporations, and institutions, who have given them the opportunity to shape some of the most important planning and design projects undertaken across the country. Their collective wealth of design and planning experience, built across a rich diversity of project and building types, energizes all of their work. They are well-versed in the ways that connectivity, location, market pressures, sustainability, and other elements play into the unique matrix that each project represents.
